REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors
BG Worldwide Securities, Inc.
Woodland Hills, California

I have audited the accompanying statement of financial condition of BG Worldwide Securities, Inc. as of June 30, 2016 and the related statements of income, changes in shareholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of BG Worldwide Securities, Inc.'s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BG Worldwide Securities, Inc. as of June 30, 2016 and the results of its operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information for the year ended June 30, 2016 (Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information for Possession or Control Requirements Under Rule 15c3-3 (exemption)) has been subjected to audit procedures performed in conjunction with the audit of BG Worldwide Securities, Inc.'s financial statements. The supplemental information is the responsibility of BG Worldwide Securities, Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on supplemental information, I evaluated whether the supplemental information, including the form and content is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

This opinion is intended solely for the information and use of the board of directors, the Securities and Exchange Commission, and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and general matters:

BG WorldWide Securities, Inc. (the "Company") was formed on December 6, 2001 in California as a "C" corporation. It received approval from the SEC and FINRA on November 18, 2002 to be registered as a securities broker dealer acting in a limited capacity for variable annuities, variable life, and mutual funds.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

The Company has evaluated subsequent events from the statement of financial condition date through July 18, 2016, the date at which the financial statements were issued, and determined there are no other items to disclose.

General

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

There are no assets or liabilities to measure on June 30, 2016.

Concentrations of Credit Risk:

The Company is engaged in various brokerage activities in which counter parties primarily include broker-dealers, banks, and other financial institutions. In the event counter parties do not fulfil their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter party. 100% of the revenues were generated in the State of California

Note 2: INCOME TAXES

The income tax return is included in its affiliates' consolidated tax return. The Company has shown an income tax provision for the year ended June 30, 2016 of \$800.

The Company is subject to audit by the taxing agency for fiscal years ending June 30, 2013, 2014 and 2015.

Note 3: NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital rule (Rule15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but on June 30, 2016, the Company's net capital of \$59,079 exceeded the minimum net capital requirement by \$54,079 and, the Company's ratio of aggregate indebtedness \$5,000 to net capital was 0.8, which is less than the allowed limit of 15 to 1.

Note 4: RELATED PARTY

The Company is sharing rent and utilities from an affiliated company with a monthly payment \$104. Total payment for year ended June 30, 2016 was \$1,248.

ACCOUNTING FIRM**

Board of Directors
BG Worldwide Securities, Inc.
Woodland Hills, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) BG Worldwide Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which BG Worldwide Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (i) (the "exemption provision") and (2) BG Worldwide Securities, Inc., stated that BG Worldwide Securities, Inc., met the identified exemption provision throughout the most recent fiscal year without exception. BG Worldwide Securities, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about BG Worldwide Securities, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
